

Warrior Training School (WTS) 2026

Onboarding Meeting

What is WTS?

WTS is a nationwide, multi-year discipleship and leadership formation program that equips believers to deepen their intimacy with Christ, discern and activate their spiritual gifts, and engage faithfully in spiritual warfare and Kingdom work. Through in-depth teaching, classic spiritual disciplines, biblical instruction, and authentic accountability, students are shaped into mature, emotionally balanced, resilient, and missionally effective believers. Believers are transformed into warriors.

Kennisha Moffett, Founder

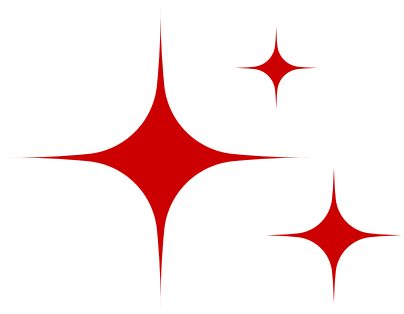

Founder & Visionary, Warrior Training School · Co-Founder & Spiritual Leader, Restoring God's Family · Prophetic Prayer Warrior · Spiritual Coach · Author

In 2019, Kennisha founded Warrior Training School in obedience to a clear Word from the Lord. Guided by divine instruction, she wrote the curriculum for each program, authored the student workbooks, and gathered a team of diversely gifted leaders who share her passion for equipping the Church. What began that first year with just 12 students has grown into a powerful movement of transformation — with 7 of those original warriors completing the full 4-year journey. As of 2025, they have trained over 200 believers to embark on a deeper, more impactful journey with the Lord Jesus Christ.

Monthly Lesson

Lesson Workbook

Each program includes a lesson workbook, homework, tests, and additional resources

Case Study

A deep biblical dive into Bible characters, their spiritual gifts, leadership styles, and how they followed the Lord Jesus to impact the earth.

Demonstration

At the end of every month, students will be tested on the lesson, disciplines, case studies, and related material. Tests are available in the Band app.

Application

Our program lessons are designed to grow and sharpen believers through monthly challenging projects such as sermon writing.

Ekklesia Meetings

All programs, except First Steps, require students to attend one **in-person** (or, in limited cases, online) gathering for community building, prayer, check-ins, homework review, and more. These gatherings are at local churches, homes, and even online.

Homework & Tests

Homework and tests are not simply academic tools—they are essential parts of forming committed, grounded disciples.

In WTS, they serve several key purposes:

1. Reinforce Learning and Scripture Application

Homework allows students to revisit lessons, reflect more deeply on Scripture, and practice applying biblical principles in daily life. It ensures that learning continues beyond the classroom.

2. Build Spiritual Discipline

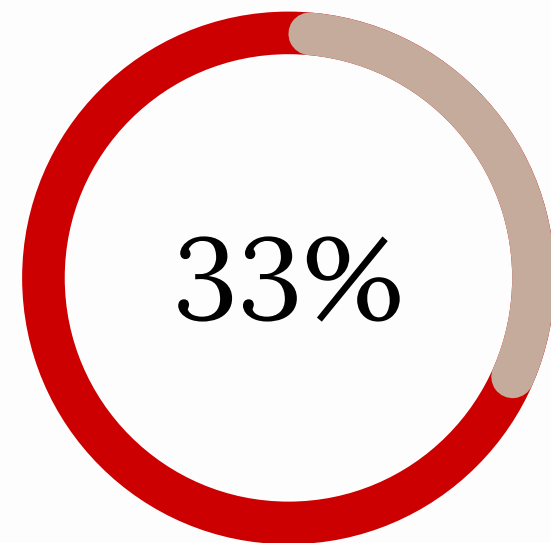

Consistent study, reflection, and assignment completion cultivate habits of diligence, responsibility, and faithfulness—qualities essential for spiritual maturity and ministry.

3. Encourage Personal Ownership of Growth

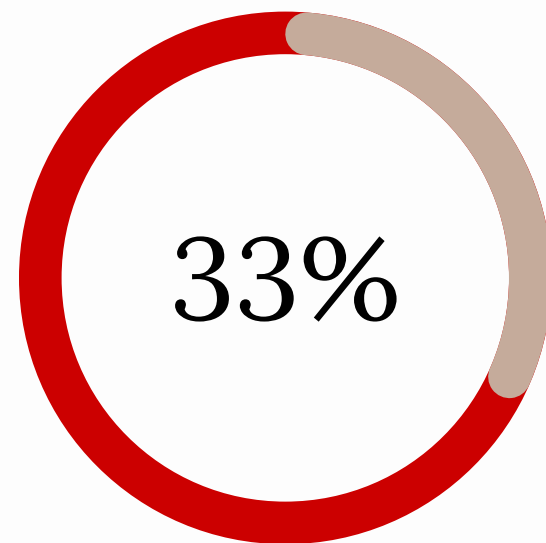

Homework creates space for students to engage with God personally, rather than relying solely on classroom teaching. It strengthens the student's own walk with Christ.

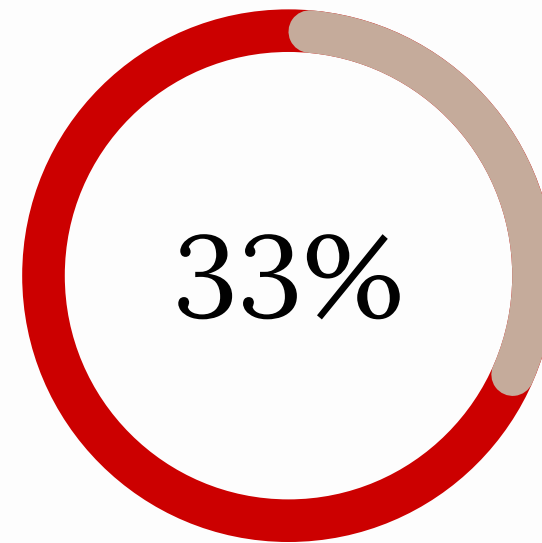

Outreach Support & Participation

**Prayer
Support**

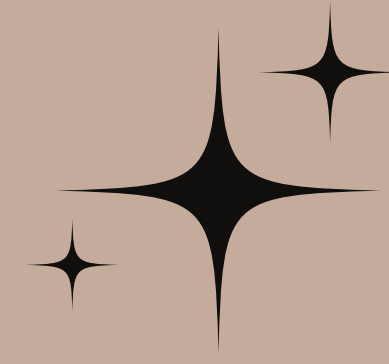

**Jubilee

**5K & Prayer Walk
or Give Day**

Year-End Bootcamp

Once classwork is completed at the end of October, each student will attend the year-end Warriors Bootcamp in Texas. This event spans three days and two nights, costs \$400, and during which you will complete your annual training with a class presentation. You will receive a certificate of completion for each program year. Those who have perfect attendance* in lessons and ekklesia meetings, scored at least 98% on all tests, completed all projects, and supported/participated in 3 outreach projects will receive an EXCELLENCE badge on their certificate. Year Four students will receive their graduation certificates.

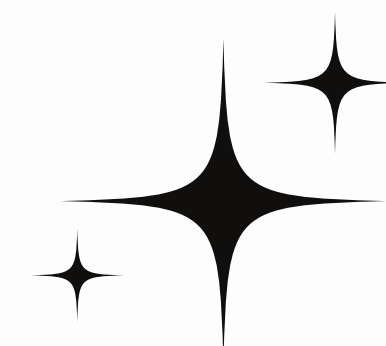

- *3 excused absences are allowed. For an Excused absence, one must communicate the work or family emergency BEFORE class begins.

The Financial Commitment

\$2500 for a year or \$208 a month - Tuition

\$400 for Bootcamp - due by April 1st

If the student withdraws before completing the program, the full tuition fee remains payable. This policy is in place because program costs (including bootcamp fees) are allocated in advance for the full duration.”
